### Modern Ambience Is Best Shared In Style

The HangFire is clean, environmentally friendly, and adds soothing warmth in true modernistic fashion. Hang decoratively from a beam or set on the ground outdoors. It is designed to conveniently accept standard gel fuel canisters.

Turn up a little ultra-lounge and make a modern statement today.

Hang Fire!

Available in red, turquoise,  
orange and custom order colors

Personalize with cut glass  
or miniature stone
